

Geocache

**Congratulations,
you've found it!
Intentionally or not!**

This is part of a worldwide game called **Geocaching**. The game involves a GPS user hiding "treasure" (this container and its contents), and publishing the exact coordinates so other GPS users can come on a "treasure hunt" to find it.

**IF YOU FOUND THIS
CONTAINER BY
ACCIDENT:**

Great! You are welcome to join us! We ask only that you:

- Please do not move or vandalize the container. The real treasure is just finding the container and sharing your thoughts with everyone else who finds it.
- If you wish, go ahead and take something. But please also leave something of your own for others to find, and write it in the logbook.

If possible, let us know that you found it, by visiting the website listed below. The GPS Stash Hunt is open to everyone with a GPS and a sense of adventure. There are thousands of sites all over the world. Visit our website if you want to learn more, or have any comments:
